WINEMAKER NOTES:

A proprietary red and white blend of finished Cabernet Sauvignon, Merlot and Zinfandel with Chardonnay and French Colombard from Napa and Mendocino counties. Serve chilled.

SENSORY DESCRIPTION:

This fun and versatile wine will delight with aromas of strawberry, red raspberry and watermelon. Sip and savor juicy, ripe red fruit in a refreshing blend of red and white wine. This Peju innovation is a crowd-pleaser, perfect for barbecues, lazy Sundays, Thanksgiving dinner or any occasion when red wine seems like too much and white wine not quite enough.

"If you can imagine the structure and texture of a fine Pinot Noir, with full-flavored plummy fruit, that's what you get here. Full of fruit, dry, and enjoyable from the get-go. It will pair with almost anything from salmon to beef, but I'd particularly like it with the cheese plate." - Epicurean
