

2018 DRY ROSÉ
napa valley

In 1983, with dreams of raising their young family on a farm, Tony and Herta Peju bought thirty acres of vines in the famed Rutherford district of the Napa Valley. Since then, the Peju family has maintained a meticulous focus on the land, fostering sustainable and environmental consciousness across their five estates. Still family-owned and operated with daughters Lisa and Ariana at the helm, Peju Winery is an integral piece of the Napa Valley landscape.

VINTAGE

The 2018 growing season began with abundant rains in February, followed by lots of filtered light in spring and early summer. Both bud break and flowering occurred a bit late, but under ideal weather conditions, creating plentiful and even fruit set. Summer brought generous sun during the day and cooler marine influences, virtually uninterrupted by major heat spikes. The relatively mild summer followed by extended fall sunshine and moderate heat created near-ideal conditions to allow fruit to accumulate flavor complexity with gradual increases in sugar levels. 2018 yields were up an average of 20-30% over the previous year.

TASTING

Our 2018 Dry Rosé presents elegant florals on the nose enhanced by aromas of rose petal, watermelon and fresh cut strawberries. Incredibly refreshing, this Dry Rosé is ideal for summer sipping and great as an aperitif.
